SUBJECT INDEX

9/11 ATTACKS
Health effects following 9/11: Implications for occupational health nurses (Continuing Education). Pak, V. M., O'Hara, M., & McCauley, L. A. 56(4), 159-165.

ABSENTEEISM
Knowledge, perceptions, and attitudes of managers, coworkers, and employed breastfeeding mothers (Continuing Education). Stewart-Glenn, J. 56(10), 423-429.
Sustaining a healthy work force in the 21st century: A model for collaborating through reciprocation (Business and Leadership). Thomason, D. L., & Lagowski, L. R. 56(12), 503-513.
Working through a migraine: Addressing the hidden costs of workplace headaches (Continuing Education). Weiss, M. D., Bernards, P., & Price, S. J. 56(12), 495-500.

ACCULTURATION
Cultural diversity (Health Updates). Glazner, L. K. 56(10), 440.

ADMINISTRATIVE CONTROLS
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

AGRICULTURAL HEALTH
Health and safety needs of older farmers: Part II. Agricultural injuries. Lizer, S. K., & Petrea, R. E. 56(1), 9-14.

AIR TRAVEL
Promoting health and safety for traveling and commuting employees (Business and Leadership). Pochat-Debroux, S. 56(9), 395-402.

ALLERGY
Addressing environmental health implications of mold exposure after major flooding (Continuing Education). Metts, T. A. 56(3), 115-120.

AMERICAN NURSES ASSOCIATION
American Nurses Association's best practices in seasonal influenza immunization campaign (Business and Leadership). Slavin, K. E. 56(3), 123-128.

AMERICANS WITH DISABILITIES ACT
Educating supervisors of employees with diabetes (Business and Leadership). Wood, F. G., & Ja-

cobson, S. 56(6), 262-267.

ANTICOAGULANTS
Deep vein thrombosis (Continuing Education). Emanuele, P. 56(9), 389-392.

ARTIFICIAL SWEETENERS
The potential toxicity of artificial sweeteners (Continuing Education). Whitehouse, C. R., Boullata, J., & McCauley, L. A. 56(6), 251-259.

ASPHYXIANT/ASPHYXIATION
Acute occupational exposure to hydrogen sulfide (Health Updates). Chalupka, A. N., & Chalupka, S. 56(7), 324.
Cryogenic nitrogen: A threat to safe air (Safety Solutions). Burke, G. 56(6), 268-271.

BACK PAIN
Underreporting of musculoskeletal disorders among health care workers: Research needs. Menzel, N. N. 56(12), 487-494.

BARIATRIC SURGERY
Part I: Bariatric surgery (Health Updates). Dugan, S. 56(11), 480.
Part II: Returning to work following bariatric surgery (Health Updates). Dugan, S. 56(12), 532.

BEHAVIORAL THERAPY
Weight gain among women during smoking cessation: Testing the effects of a multifaceted program. Chaney, S. E., & Sheriff, S. 56(3), 99-105.

BENCHMARKING
Redesign of occupational health service operations: Strategic planning and evaluation (Business and Leadership). Tobias, B., Burnes-Line, B., & Pellarin, M. 56(10), 433-439.

BEREAVEMENT
When a coworker completes suicide (Continuing Education). Lynn, C. W. 56(11), 459-467.

BEST PRACTICES
American Nurses Association's best practices in seasonal influenza immunization campaign (Business and Leadership). Slavin, K. E. 56(3), 123-128.
If case management services are outsourced, what should be included in the service agreement (Professional Practice)? Brown, N. D., & Sliski, S. K. 56(6), 229-230.

BIOCIDES
Addressing environmental health implications of mold exposure after major flooding (Continuing Education). Metts, T. A. 56(3), 115-120.

BIOLOGICAL HAZARDS
The pregnant health care worker: An evidence-based approach to job assignment and reassignment (Professional Practice). Hood, J. 56(8), 329-333.

BLOODBORNE PATHOGEN STANDARD
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

BODY MASS INDEX
Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.
Part I: Bariatric surgery (Health Updates). Dugan, S. 56(11), 480.
Part II: Returning to work following bariatric surgery (Health Updates). Dugan, S. 56(12), 532.

BREASTFEEDING
Knowledge, perceptions, and attitudes of managers, coworkers, and employed breastfeeding mothers (Continuing Education). Stewart-Glenn, J. 56(10), 423-429.

BULLYING
Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.

BUSINESS TRAVEL
Business traveler fitness (Health Updates). Tompkins, O. S. 56(6), 272.

C-REACTIVE PROTEIN
The Reynolds Risk Score: Improving cardiovascular risk prediction in women (Health Updates). Bassuk, S. S. 56(4), 180.

CANCER
Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.
The potential toxicity of artificial sweeteners (Continuing Education). Whitehouse, C. R., Boullata, J., & McCauley, L. A. 56(6), 251-259.

CARDIOVASCULAR DISEASE
Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.
Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.
Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

CASE MANAGEMENT
How can case managers incorporate health promotion into their practices (Professional Practice)? Kalina, C. M., Haag, A. B., & Brown, N. D. 56(3), 95-97.
How can cases with mental health overlay be effectively managed (Professional Practice)? Coupland, M., & Schroeder, M. 56(9),

369-371.
If case management services are outsourced, what should be included in the service agreement (Professional Practice)? Brown, N. D., & Sliski, S. K. 56(6), 229-230.
Redesign of occupational health service operations: Strategic planning and evaluation (Business and Leadership). Tobias, B., Burnes-Line, B., & Pellarin, M. 56(10), 433-439.
What is an effective approach with providers who authorize absences to avoid negative responses from malingering employees (Professional Practice). Brown, N. D., Kalina, C. M., & Haag, A. B. 56(12), 483-485.

CHEMICAL EXPOSURE
Potential allergy and irritation incidents among health care workers. Alamgir, H., Yu, S., Chavoshi, N., & Ngan, K. 56(7), 281-288.

CHOLESTEROL
The Reynolds Risk Score: Improving cardiovascular risk prediction in women (Health Updates). Bassuk, S. S. 56(4), 180.

CHRONIC FATIGUE SYNDROME
The Energy Envelope Theory and myalgic encephalomyelitis/chronic fatigue syndrome. Jason, L., Muldowney, K., & Torres-Harding, S. 56(5), 189-195.

CLINICAL GUIDELINES
Domestic violence screening and treatment in the workplace. Felblinger, D. M., & Gates, D. 56(4), 143-150.

COLD CHAIN
Maintaining vaccine effectiveness in occupational health clinics (Professional Practice). Rittle, C. 56(7), 277-279.

COLLABORATION
Sustaining a healthy work force in the 21st century: A model for collaborating through reciprocation (Business and Leadership). Thomason, D. L., & Lagowski, L. R. 56(12), 503-513.

Deep vein thrombosis (Continuing Education). Emanuele, P. 56(9), 389-392.

DEPARTMENT OF DEFENSE/ VETERANS AFFAIRS

Transition from the Afghanistan and Iraqi battlefields to home: An overview of selected war wounds and the federal agencies assisting soldiers regain their health. Brown, N. D. 56(8), 343-346.

DIABETES

Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.

Educating supervisors of employees with diabetes (Business and Leadership). Wood, F. G., & Jacobson, S. 56(6), 262-267.

Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.

Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.

The potential toxicity of artificial sweeteners (Continuing Education). Whitehouse, C. R., Boullata, J., & McCauley, L. A. 56(6), 251-259.

DISABILITY

Redesign of occupational health service operations: Strategic planning and evaluation (Business and Leadership). Tobias, B., Burnes-Line, B., & Pellarin, M. 56(10), 433-439.

Reflex sympathetic dystrophy/complex regional pain syndrome (Health Updates). Gann, C. 56(2), 88.

DISASTER

Addressing environmental health implications of mold exposure after major flooding (Continuing Education). Metts, T. A. 56(3), 115-120.

Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.

Ecological model of disaster management (Business and Leadership). Beaton, R., Bridges, E., Salazar, M. K., Oberle, M. W., Stergachis, A., Thompson, J., & Butterfield, P. 56(11), 471-478.

DISPENSING MODELS

Distribution of over-the-counter medications in the workplace (Professional Practice). Humphrey, H. L., & Gruber, C. R. 56(11), 445-447.

DIVERSE WORK FORCE

Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.

DIVERSITY

Cultural diversity (Health Updates). Glazner, L. K. 56(10), 440.

DOMESTIC VIOLENCE

Domestic violence screening and treatment in the workplace. Felblinger, D. M., & Gates, D. 56(4), 143-150.

DUMPING SYNDROME

Part II: Returning to work following bariatric surgery (Health Updates). Dugan, S. 56(12), 532.

DUTY TO CARE

Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.

ECOLOGICAL MODEL

Ecological model of disaster management (Business and Leadership). Beaton, R., Bridges, E., Salazar, M. K., Oberle, M. W., Stergachis, A., Thompson, J., & Butterfield, P. 56(11), 471-478.

ELECTRONIC HEALTH RECORDS

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

ELECTRONIC SIGNATURE

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

E-MAIL

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

EMPLOYEE ADVOCATE

Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

How can cases with mental health overlay be effectively managed (Professional Practice)? Coupland, M., & Schroeder, M. 56(9), 369-371.

Integrated absence management and the Family and Medical Leave Act (Continuing Education). Morris, J. A. 56(5), 207-214.

The returning veteran: A lesson in reintegration (Health Updates). Maher, H. K. 56(8), 364.

EMPLOYEE HEALTH

Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.

When no one has time: Measuring the impact of computerization on health care workers. Morrison, J., & Lindberg, P. 56(9), 373-378.

ENCRYPTION

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

ENERGY ENVELOPE THEORY

The Energy Envelope Theory and myalgic encephalomyelitis/chronic fatigue syndrome. Jason, L., Muldowney, K., & Torres-Harding, S. 56(5), 189-195.

ENGINEERING CONTROLS

Metal fume fever (Health Updates). Chalupka, A. N., & Chalupka, S. 56(5), 224.

Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

ENVIRONMENTAL EXPOSURES

Health effects following 9/11: Implications for occupational health nurses (Continuing Education). Pak, V. M., O'Hara, M., & McCauley, L. A. 56(4), 159-165.

EPWORTH SLEEPINESS SCALE

Identifying variables that predict falling asleep at the wheel among long-haul truck drivers. Heaton, K., Browning, S., & Anderson, D. 56(9), 379-385.

ERGONOMICS

A measure of university employees' exposure to risk factors for work-related musculoskeletal disorders. Fisher, T., & Gibson, T. 56(3), 107-114.

Using ergonomics in the printing industry (Safety Solutions). Burke, G. 56(1), 41-43.

ETHNICITY

Cultural diversity (Health Updates). Glazner, L. K. 56(10), 440.

eTOOLS

Navigating the OSHA website (Health Updates). Tompkins, O. S. 56(3), 132.

EVIDENCE-BASED PRACTICE

The pregnant health care worker: An evidence-based approach to job assignment and reassignment (Professional Practice). Hood, J. 56(8), 329-333.

EXERCISE

Business traveler fitness (Health Updates). Tompkins, O. S. 56(6), 272.

Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.

Weight gain among women during smoking cessation: Testing the effects of a multifaceted program. Chaney, S. E., & Sheriff, S. 56(3), 99-105.

EXPERIENCE MODIFICATION FACTOR

Occupational health nurses and workers' compensation insurance programs. Zichello, C., & Sheridan, J. 56(11), 455-458.

EXPOSURE PREVENTION INFORMATION NETWORK (EPINET)

Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

FAGERSTROM TEST FOR NICOTINE DEPENDENCE

Weight gain among women during smoking cessation: Testing the effects of a multifaceted program. Chaney, S. E., & Sheriff, S. 56(3), 99-105.

FALLS

Employee safety when working at heights (Safety Solutions). Burke, G. 56(2), 85-87.

FAMILY AND MEDICAL LEAVE ACT

Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.

Integrated absence management and the Family and Medical Leave Act (Continuing Education). Morris, J. A. 56(5), 207-214.

FAMILY HEALTH HISTORY

Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.

FATIGUE

Business traveler fitness (Health Updates). Tompkins, O. S. 56(6), 272.

FILIPINO AMERICAN COMMUNITY EPIDEMIOLOGICAL STUDY

Relationship between job dissatisfaction and physical and psychological health among Filipino immigrants (Business and Leadership). de Castro, A. B., Gee, G. C., & Takeuchi, D. 56(1), 33-40.

FIRE

Employee safety when working at heights (Safety Solutions). Burke, G. 56(2), 85-87.

FIREWALL

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

FIXED COST PLAN

Occupational health nurses and work-

ers' compensation insurance programs. Zichello, C., & Sheridan, J. 56(11), 455-458.

FLAMMABLE LIQUIDS
Employee safety when working at heights (Safety Solutions). Burke, G. 56(2), 85-87.

FLOODING
Addressing environmental health implications of mold exposure after major flooding (Continuing Education). Metts, T. A. 56(3), 115-120.

FLUORESCENT LAMPS
Proper handling of fluorescent and metal halide lamps to prevent injury, illness, and environmental damage (Safety Solutions). Burke, G. 56(4), 176-178.

FOCUS GROUPS
Application of the occupational health services model in Thai primary care units. Wittayapun, Y., Lagampan, S., Kalampakorn, S., Rogers, B., & Vorapongsathorn, T. 56(5), 197-205.
Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.

FRAMINGHAM STUDY
The Reynolds Risk Score: Improving cardiovascular risk prediction in women (Health Updates). Bassuk, S. S. 56(4), 180.

GASTRIC BYPASS
Part I: Bariatric surgery (Health Updates). Dugan, S. 56(11), 480.

GENERAL DUTY CLAUSE
Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.

GENOGRAM
Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.

GRIEF
When a coworker completes suicide (Continuing Education). Lynn, C. W. 56(11), 459-467.

HANDWASHING
Influenza vaccination (Professional Practice). Foster, D. 56(10), 409-411.

HAZARD RECOGNITION
Navigating the OSHA website (Health Updates). Tompkins, O. S. 56(3), 132.

HEALING
When a coworker completes suicide (Continuing Education). Lynn, C. W. 56(11), 459-467.

HEALTH CARE COSTS
Educating supervisors of employees with diabetes (Business and Leadership). Wood, F. G., & Jacobson, S. 56(6), 262-267.

HEALTH CARE PLATFORMS
Health care and politics: Issues for the 2008 presidential election. Paranzino, G., & Lukes, E. 56(10), 413-416.

HEALTH CARE RECORDS
When no one has time: Measuring the impact of computerization on health care workers. Morrison, J., & Lindberg, P. 56(9), 373-378.

HEALTH CARE WORKERS
Potential allergy and irritation incidents among health care workers. Alamgir, H., Yu, S., Chavoshi, N., & Ngan, K. 56(7), 281-288.
Underreporting of musculoskeletal disorders among health care workers: Research needs. Menzel, N. N. 56(12), 487-494.
When no one has time: Measuring the impact of computerization on health care workers. Morrison, J., & Lindberg, P. 56(9), 373-378.

HEALTH DISPARITIES
Reflections on the culture of veterans. Hobbs, K. 56(8), 337-341.

HEALTH EDUCATION
Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.

HEALTH HISTORY
Domestic violence screening and treatment in the workplace. Felblinger, D. M., & Gates, D. 56(4), 143-150.

HEALTH PROMOTION
Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.
How can case managers incorporate health promotion into their practices (Professional Practice)? Kalina, C. M., Haag, A. B., & Brown, N. D. 56(3), 95-97.
Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.

HEALTHY PEOPLE 2010
Domestic violence screening and treatment in the workplace. Felblinger, D. M., & Gates, D. 56(4), 143-150.
Knowledge, perceptions, and attitudes of managers, coworkers, and employed breastfeeding mothers (Continuing Education). Stewart-Glenn, J. 56(10), 423-429.

HEALTHY WORKER EFFECT
Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.

HEART FAILURE
Work–heart balance: The influence of biobehavioral variables on self-care among employees with heart failure. Dickson, V. V., McCauley, L. A., & Riegel, B.

56(2), 63-73.

HEAT STRESS
Alleged solvent exposure and deviation from procedures (Safety Solutions). Burke, G. 56(3), 129-131.

HEPATITIS B VIRUS/HEPATITIS C VIRUS
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

HERPES ZOSTER
Herpes zoster in the workplace (Health Updates). Chalupka, S. 56(9), 404.

HIGH-MOBILITY FAMILIES
Health risks among high-mobility families (Health Updates). Tompkins, O. S. 56(1), 44.

HIPAA
Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

HISPANIC WORKERS
Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

HIV
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

HOME HEALTH CARE
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

HORIZONTAL VIOLENCE
Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.

HOSPITAL EMPLOYEE HEALTH
Redesign of occupational health service operations: Strategic planning and evaluation (Business and Leadership). Tobias, B., Burnes-Line, B., & Pellarin, M. 56(10), 433-439.
Workplace incivility and productivity losses among direct care staff (Business and Leadership). Hutton, S., & Gates, D. 56(4), 168-175.

HYDRATION
Business traveler fitness (Health Updates). Tompkins, O. S. 56(6), 272.

HYDROGEN SULFIDE
Acute occupational exposure to hydrogen sulfide (Health Updates). Chalupka, A. N., & Chalupka, S. 56(7), 324.

HYPERLIPIDEMIA
Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.
Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

HYPERSENSITIVITY
Addressing environmental health implications of mold exposure after major flooding (Continuing Education). Metts, T. A. 56(3), 115-120.

HYPERTENSION
Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.
Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

IMMIGRANT WORKERS
Relationship between job dissatisfaction and physical and psychological health among Filipino immigrants (Business and Leadership). de Castro, A. B., Gee, G. C., & Takeuchi, D. 56(1), 33-40.

IMMUNIZATION
American Nurses Association's best practices in seasonal influenza immunization campaign (Business and Leadership). Slavin, K. E. 56(3), 123-128.
Pertussis update: An occupational health perspective for the 21st century (Professional Practice). Hood, J. 56(1), 7-8.

INCIDENT COMMAND SYSTEM
Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.

INCIVILITY/INCIVILITY SPIRAL
Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.
Workplace incivility and productivity losses among direct care staff (Business and Leadership). Hutton, S., & Gates, D. 56(4), 168-175.

INFECTIOUS DISEASE
Influenza vaccination (Professional Practice). Foster, D. 56(10), 409-411.
Promoting health and safety for traveling and commuting employees (Business and Leadership).

Pochat-Debroux, S. 56(9), 395-402.

INFLUENZA

American Nurses Association's best practices in seasonal influenza immunization campaign (Business and Leadership). Slavin, K. E. 56(3), 123-128.

Influenza vaccination (Professional Practice). Foster, D. 56(10), 409-411.

Influenza vaccination and decisional conflict among regulated and unregulated direct nursing care providers in long-term–care homes (Business and Leadership). Sullivan, S. M., Pierrynowski-Gallant, D., Chambers, L., O'Connor, A., Bowman, S., McNeil, S., Strang, R., & Knoefel, F. 56(2), 77-84.

INFORMATICS

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

INJURY

Health effects following 9/11: Implications for occupational health nurses (Continuing Education). Pak, V. M., O'Hara, M., & McCauley, L. A. 56(4), 159-165.

INJURY PREVENTION

Identifying variables that predict falling asleep at the wheel among long-haul truck drivers. Heaton, K., Browning, S., & Anderson, D. 56(9), 379-385.

INTEGRATED ABSENCE MANAGEMENT

Integrated absence management and the Family and Medical Leave Act (Continuing Education). Morris, J. A. 56(5), 207-214.

INTERNATIONAL OCCUPATIONAL HEALTH

Development and evaluation of a women's health support system at a Japanese company. Ariyoshi, H. 56(7), 289-296.

Potential allergy and irritation incidents among health care workers. Alamgir, H., Yu, S., Chavoshi, N., & Ngan, K. 56(7), 281-288.

INTIMATE PARTNER VIOLENCE

Domestic violence screening and treatment in the workplace. Felblinger, D. M., & Gates, D. 56(4), 143-150.

Psychometric properties of a modified version of a worksite harassment tool: Preliminary findings (Business and Leadership). Al-Modallal, H., Hall, L., & Anderson, D. 56(7), 309-316.

INTRANET

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

IRRITANT

Acute occupational exposure to hydrogen sulfide (Health Updates). Chalupka, A. N., & Chalupka, S. 56(7), 324.

JET LAG

Business traveler fitness (Health Updates). Tompkins, O. S. 56(6), 272.

JOB DISSATISFACTION

Relationship between job dissatisfaction and physical and psychological health among Filipino immigrants (Business and Leadership). de Castro, A. B., Gee, G. C., & Takeuchi, D. 56(1), 33-40.

JOINT COMMISSION

Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

LAPAROSCOPIC ADJUSTABLE GASTRIC BANDING (LAGB)

Part I: Bariatric surgery (Health Updates). Dugan, S. 56(11), 480.

LAW ENFORCEMENT OFFICERS

Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.

LEVELS OF PREVENTION

How can case managers incorporate health promotion into their practices (Professional Practice)? Kalina, C. M., Haag, A. B., & Brown, N. D. 56(3), 95-97.

LIABILITY

Distribution of over-the-counter medications in the workplace (Professional Practice). Humphrey, H. L., & Gruber, C. R. 56(11), 445-447.

LONG-HAUL TRUCK DRIVERS

Psychometric properties of a modified version of a worksite harassment tool: Preliminary findings (Business and Leadership). Al-Modallal, H., Hall, L., & Anderson, D. 56(7), 309-316.

LONG-TERM CARE

Influenza vaccination and decisional conflict among regulated and unregulated direct nursing care providers in long-term–care homes (Business and Leadership). Sullivan, S. M., Pierrynowski-Gallant, D., Chambers, L., O'Connor, A., Bowman, S., McNeil, S., Strang, R., & Knoefel, F. 56(2), 77-84.

LOSS CONTROL

Occupational health nurses and workers' compensation insurance programs. Zichello, C., & Sheridan, J. 56(11), 455-458.

LOST WORK TIME

Reflex sympathetic dystrophy/complex regional pain syndrome (Health Updates). Gann, C. 56(2), 88.

MALINGERING

What is an effective approach with providers who authorize absences to avoid negative responses from malingering employees (Professional Practice). Brown, N. D., Kalina, C. M., & Haag, A. B. 56(12), 483-485.

MASSACHUSETTS SHARPS INJURY SURVEILLANCE SYSTEM
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

MENOPAUSE
Development and evaluation of a women's health support system at a Japanese company. Ariyoshi, H. 56(7), 289-296.

MENSTRUAL DISORDERS
Development and evaluation of a women's health support system at a Japanese company. Ariyoshi, H. 56(7), 289-296.

MENTAL HEALTH
How can cases with mental health overlay be effectively managed (Professional Practice)? Coupland, M., & Schroeder, M. 56(9), 369-371.

MERCURY
Proper handling of fluorescent and metal halide lamps to prevent injury, illness, and environmental damage (Safety Solutions). Burke, G. 56(4), 176-178.

METAL FUME FEVER
Metal fume fever (Health Updates). Chalupka, A. N., & Chalupka, S. 56(5), 224.

METAL HALIDE LAMPS
Proper handling of fluorescent and metal halide lamps to prevent injury, illness, and environmental damage (Safety Solutions). Burke, G. 56(4), 176-178.

METRICS
Redesign of occupational health service operations: Strategic planning and evaluation (Business and Leadership). Tobias, B., Burnes-Line, B., & Pellarin, M. 56(10), 433-439.

MIGRAINE HEADACHE
The potential toxicity of artificial sweeteners (Continuing Education). Whitehouse, C. R., Boullata, J., & McCauley, L. A. 56(6), 251-259.
Working through a migraine: Addressing the hidden costs of workplace headaches (Continuing Education). Weiss, M. D., Bernards, P., & Price, S. J. 56(12), 495-500.

MINDFULNESS MEDITATION
Mindfulness meditation for veterans: Implications for occupational health providers (Business and Leadership). Cuellar, N. G. 56(8), 357-363.

MIXED METHODS RESEARCH
Work–heart balance: The influence of biobehavioral variables on self-care among employees with heart failure. Dickson, V. V., McCauley, L. A., & Riegel, B. 56(2), 63-73.

MOLD
Addressing environmental health implications of mold exposure after major flooding (Continuing Education). Metts, T. A. 56(3), 115-120.

MOTOR VEHICLE ACCIDENTS/ TRAVEL
Identifying variables that predict falling asleep at the wheel among long-haul truck drivers. Heaton, K., Browning, S., & Anderson, D. 56(9), 379-385.
Promoting health and safety for traveling and commuting employees (Business and Leadership). Pochat-Debroux, S. 56(9), 395-402.

MUSCULOSKELETAL DISORDERS
Using ergonomics in the printing industry (Safety Solutions). Burke, G. 56(1), 41-43.

MYALGIC ENCEPHALOMYELITIS
The Energy Envelope Theory and myalgic encephalomyelitis/chronic fatigue syndrome. Jason, L., Muldowney, K., & Torres-Harding, S. 56(5), 189-195.

NATIONAL FAMILY HISTORY INITIATIVE
Family history: Value-added information in assessing cardiac health (Continuing Education). McNeill, J. A., Cook, J., Mahon, M., Rauschhuber, M., Jones, M. E., & Estrada, R. 56(7), 297-305.

NATIONAL SURVEILLANCE SYSTEM FOR HEALTH CARE WORKERS (NASH)
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

NATURAL DISASTERS
Health risks among high-mobility families (Health Updates). Tompkins, O. S. 56(1), 44.

NEEDLESTICK SAFETY AND PREVENTION ACT
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

NITROGEN EXPOSURE
Cryogenic nitrogen: A threat to safe air (Safety Solutions). Burke, G. 56(6), 268-271.

NURSE SHORTAGE
Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.

NUTRITION
Business traveler fitness (Health Updates). Tompkins, O. S. 56(6), 272.
Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.
The potential toxicity of artificial sweeteners (Continuing Education). Whitehouse, C. R., Boullata, J., & McCauley, L. A. 56(6), 251-259.

OBESITY
Part I: Bariatric surgery (Health Updates). Dugan, S. 56(11), 480.
Part II: Returning to work following bariatric surgery (Health Updates). Dugan, S. 56(12), 532.
The potential toxicity of artificial sweeteners (Continuing Education). Whitehouse, C. R., Boullata, J., & McCauley, L. A. 56(6), 251-259.
Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

OCCUPATIONAL HEALTH COMPETENCIES
Application of the occupational health services model in Thai primary care units. Wittayapun, Y., Lagampan, S., Kalampakorn, S., Rogers, B., & Vorapongsathorn, T. 56(5), 197-205.

OCCUPATIONAL HEALTH NURSE PRACTITIONERS
Occupational health nurse practitioners' roles in workers' compensation (Professional Practice). Foster, D. 56(5), 185-187.

OCCUPATIONAL HEALTH NURSING (TAIWAN)
Occupational health nursing practice, education, and research in Taiwan. Lin, Y.-P., Hong., O., & Yeh, M. C. 56(4), 151-158.

OCCUPATIONAL HEALTH RESEARCH
When no one has time: Measuring the impact of computerization on health care workers. Morrison, J., & Lindberg, P. 56(9), 373-378.

OCCUPATIONAL HEALTH SERVICES MODEL
Application of the occupational health services model in Thai primary care units. Wittayapun, Y., Lagampan, S., Kalampakorn, S., Rogers, B., & Vorapongsathorn, T. 56(5), 197-205.

OCCUPATIONAL-INDUCED ALLERGY
Potential allergy and irritation incidents among health care workers. Alamgir, H., Yu, S., Chavoshi, N., & Ngan, K. 56(7), 281-288.

OCCUPATIONAL INJURY
Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.
Health and safety needs of older farmers: Part II. Agricultural injuries. Lizer, S. K., & Petrea, R. E. 56(1), 9-14.
How can cases with mental health overlay be effectively managed (Professional Practice)? Coupland, M., & Schroeder, M. 56(9), 369-371.
Underreporting of musculoskeletal disorders among health care workers: Research needs. Menzel, N. N. 56(12), 487-494.

OCCUPATIONAL STRESS
Health and safety needs of older farmers: Part II. Agricultural injuries. Lizer, S. K., & Petrea, R. E. 56(1), 9-14.

OFFICE WORKERS
A measure of university employees' exposure to risk factors for work-related musculoskeletal disorders. Fisher, T., & Gibson, T. 56(3), 107-114.

OLDER WORKERS
Health and safety needs of older farmers: Part II. Agricultural injuries. Lizer, S. K., & Petrea, R. E. 56(1), 9-14.

ORGANIZATIONAL CULTURE
Influenza vaccination and decisional conflict among regulated and unregulated direct nursing care providers in long-term–care homes (Business and Leadership). Sullivan, S. M., Pierrynowski-Gallant, D., Chambers, L., O'Connor, A., Bowman, S., McNeil, S., Strang, R., & Knoefel, F. 56(2), 77-84.

OSHA
Navigating the OSHA website (Health Updates). Tompkins, O. S. 56(3), 132.

OSHA-RECORDABLE EVENT
Venipuncture syncope: One occupational health clinic's experience (Professional Practice). Barker, L. J. 56(4), 139-140.

OUTSOURCING
If case management services are outsourced, what should be included in the service agreement (Professional Practice)? Brown, N. D., & Sliski, S. K. 56(6), 229-230.

OVER-THE-COUNTER MEDICATIONS
Distribution of over-the-counter medications in the workplace (Professional Practice). Humphrey, H. L., & Gruber, C. R. 56(11), 445-447.

OVERWEIGHT
Part I: Bariatric surgery (Health Updates). Dugan, S. 56(11), 480.
Part II: Returning to work following bariatric surgery (Health Updates). Dugan, S. 56(12), 532.
Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

OXYGEN DEPLETION
Cryogenic nitrogen: A threat to safe air (Safety Solutions). Burke, G. 56(6), 268-271.

PAIN
Reflex sympathetic dystrophy/complex regional pain syndrome (Health Updates). Gann, C. 56(2), 88.

PATIENT HANDLING
Underreporting of musculoskel-

etal disorders among health care workers: Research needs. Menzel, N. N. 56(12), 487-494.

PERSONAL DATA ASSISTANTS

Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

PERSONAL PROTECTIVE EQUIPMENT

Addressing environmental health implications of mold exposure after major flooding (Continuing Education). Metts, T. A. 56(3), 115-120.

Alleged solvent exposure and deviation from procedures (Safety Solutions). Burke, G. 56(3), 129-131.

Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.

Employee safety when working at heights (Safety Solutions). Burke, G. 56(2), 85-87.

Metal fume fever (Health Updates). Chalupka, A. N., & Chalupka, S. 56(5), 224.

Planning for cyanide emergencies (Safety Solutions). Burke, G. 56(7), 319-322.

Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

PERTUSSIS

Pertussis update: An occupational health perspective for the 21st century (Professional Practice). Hood, J. 56(1), 7-8.

PHARMACEUTICAL HAZARDS

The pregnant health care worker: An evidence-based approach to job assignment and reassignment (Professional Practice). Hood, J. 56(8), 329-333.

PHLEBOTOMY

Venipuncture syncope: One occupational health clinic's experience (Professional Practice). Barker, L. J. 56(4), 139-140.

PHYSICAL HEALTH

Relationship between job dissatisfaction and physical and psychological health among Filipino immigrants (Business and Leadership). de Castro, A. B., Gee, G. C., & Takeuchi, D. 56(1), 33-40.

POLICY

Distribution of over-the-counter medications in the workplace (Professional Practice). Humphrey, H. L., & Gruber, C. R. 56(11), 445-447.

POLYMERASE CHAIN REACTION (PCR) TESTING

Pertussis update: An occupational health perspective for the 21st century (Professional Practice). Hood, J. 56(1), 7-8.

POSTTRAUMATIC STRESS DISORDER (PTSD)

Caring for our wounded warriors (Guest Editorial). McCauley, L. A. 56(8), 335-336.

In the line of fire: Traumatic brain injury among Iraq War veterans (Continuing Education). Zeitzer, M. B., & Brooks, J. M. 56(8), 347-353.

Mindfulness meditation for veterans: Implications for occupational health providers (Business and Leadership). Cuellar, N. G. 56(8), 357-363.

Reflections on the culture of veterans. Hobbs, K. 56(8), 337-341.

The returning veteran: A lesson in reintegration (Health Updates). Maher, H. K. 56(8), 364.

Transition from the Afghanistan and Iraqi battlefields to home: An overview of selected war wounds and the federal agencies assisting soldiers regain their health. Brown, N. D. 56(8), 343-346.

POSTVENTION

When a coworker completes suicide (Continuing Education). Lynn, C. W. 56(11), 459-467.

PRECEDE-PROCEED MODEL

Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.

PREGNANCY

The potential toxicity of artificial sweeteners (Continuing Education). Whitehouse, C. R., Boullata, J., & McCauley, L. A. 56(6), 251-259.

The pregnant health care worker: An evidence-based approach to job assignment and reassignment (Professional Practice). Hood, J. 56(8), 329-333.

PRESENTEEISM

Working through a migraine: Addressing the hidden costs of workplace headaches (Continuing Education). Weiss, M. D., Bernards, P., & Price, S. J. 56(12), 495-500.

PRESIDENTIAL ELECTION

Health care and politics: Issues for the 2008 presidential election. Paranzino, G., & Lukes, E. 56(10), 413-416.

PRINTING INDUSTRY

Alleged solvent exposure and deviation from procedures (Safety Solutions). Burke, G. 56(3), 129-131.

Using ergonomics in the printing industry (Safety Solutions). Burke, G. 56(1), 41-43.

PRODUCTIVITY

Alleged solvent exposure and deviation from procedures (Safety Solutions). Burke, G. 56(3), 129-131.

Domestic violence screening and treatment in the workplace. Felblinger, D. M., & Gates, D. 56(4), 143-150.

Educating supervisors of employees with diabetes (Business and Leadership). Wood, F. G., & Jacobson, S. 56(6), 262-267.

Knowledge, perceptions, and attitudes

of managers, coworkers, and employed breastfeeding mothers (Continuing Education). Stewart-Glenn, J. 56(10), 423-429.
Sustaining a healthy work force in the 21st century: A model for collaborating through reciprocation (Business and Leadership). Thomason, D. L., & Lagowski, L. R. 56(12), 503-513.
What is an effective approach with providers who authorize absences to avoid negative responses from malingering employees (Professional Practice). Brown, N. D., Kalina, C. M., & Haag, A. B. 56(12), 483-485.
Working through a migraine: Addressing the hidden costs of workplace headaches (Continuing Education). Weiss, M. D., Bernards, P., & Price, S. J. 56(12), 495-500.
Workplace incivility and productivity losses among direct care staff (Business and Leadership). Hutton, S., & Gates, D. 56(4), 168-175.

PROGRAM EVALUATION
Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.
Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

PSYCHOLOGICAL DISTRESS/ILLNESS
Health effects following 9/11: Implications for occupational health nurses (Continuing Education). Pak, V. M., O'Hara, M., & McCauley, L. A. 56(4), 159-165.
Health risks among high-mobility families (Health Updates). Tompkins, O. S. 56(1), 44.
Relationship between job dissatisfaction and physical and psychological health among Filipino immigrants (Business and Leadership). de Castro, A. B., Gee, G. C., & Takeuchi, D. 56(1), 33-40.

PSYCHONEUROIMMUNOLOGY-BASED THEORETICAL FRAMEWORK
Mindfulness meditation for veterans: Implications for occupational health providers (Business and Leadership). Cuellar, N. G. 56(8), 357-363.

PULMONARY FUNCTION TEST
Metal fume fever (Health Updates). Chalupka, A. N., & Chalupka, S. 56(5), 224.

QUALITY HEALTH CARE
Health care and politics: Issues for the 2008 presidential election. Paranzino, G., & Lukes, E. 56(10), 413-416.

QUALITY OF LIFE
How can case managers incorporate health promotion into their practices (Professional Practice)? Kalina, C. M., Haag, A. B., & Brown, N. D. 56(3), 95-97.

QUARANTINE
Caring for those who care: The role of the occupational health nurse in disasters. Tomczyk, D., Alvarez, D., Borgman, P., Cartier, M. J., Caulum, L., Galloway, C., Groves, C., Faust, N., & Meske, D. 56(6), 243-250.

RADIATION HAZARDS
The pregnant health care worker: An evidence-based approach to job assignment and reassignment (Professional Practice). Hood, J. 56(8), 329-333.

REASONABLE ACCOMMODATION
Educating supervisors of employees with diabetes (Business and Leadership). Wood, F. G., & Jacobson, S. 56(6), 262-267.

RECIPROCATION
Sustaining a healthy work force in the 21st century: A model for collaborating through reciprocation (Business and Leadership). Thomason, D. L., & Lagowski, L. R. 56(12), 503-513.

RECORDABLE EVENT
Venipuncture syncope: One occupational health clinic's experience (Professional Practice). Barker, L. J. 56(4), 139-140.

REFLEX SYMPATHETIC DYSTROPHY
Reflex sympathetic dystrophy/complex regional pain syndrome (Health Updates). Gann, C. 56(2), 88.

REINTEGRATION
The returning veteran: A lesson in reintegration (Health Updates). Maher, H. K. 56(8), 364.

RESPIRATORY ILLNESS
Health effects following 9/11: Implications for occupational health nurses (Continuing Education). Pak, V. M., O'Hara, M., & McCauley, L. A. 56(4), 159-165.

RETENTION
Knowledge, perceptions, and attitudes of managers, coworkers, and employed breastfeeding mothers (Continuing Education). Stewart-Glenn, J. 56(10), 423-429.

RETROSPECTIVE PLAN
Occupational health nurses and workers' compensation insurance programs. Zichello, C., & Sheridan, J. 56(11), 455-458.

RETURN TO WORK
Occupational health nurse practitioners' roles in workers' compensation (Professional Practice). Foster, D. 56(5), 185-187.

REYNOLDS RISK SCORE
The Reynolds Risk Score: Improving cardiovascular risk prediction in women (Health Updates). Bassuk, S. S. 56(4), 180.

RIGHT-TO-KNOW STANDARD
The pregnant health care worker: An evidence-based approach to job assignment and reassignment (Professional Practice). Hood, J.

56(8), 329-333.

RISK REDUCTION
Developing strategic interventions to reduce cardiovascular disease risk among law enforcement officers: The art and science of data triangulation. Ramey, S. L., Downing, N. R., & Knoblauch, A. 56(2), 54-62.

ROLE OF THE OCCUPATIONAL HEALTH NURSE
Occupational health nurses and workers' compensation insurance programs. Zichello, C., & Sheridan, J. 56(11), 455-458.
Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.

SAFETY
Alleged solvent exposure and deviation from procedures (Safety Solutions). Burke, G. 56(3), 129-131.
Employee safety when working at heights (Safety Solutions). Burke, G. 56(2), 85-87.
Ensuring nurses' safety in violent workplaces (Professional Practice). Gallant-Roman, M. A. 56(2), 51-52.
Health and safety needs of older farmers: Part II. Agricultural injuries. Lizer, S. K., & Petrea, R. E. 56(1), 9-14.
Using ergonomics in the printing industry (Safety Solutions). Burke, G. 56(1), 41-43.

SAFETY CULTURE
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

SCHEDULED LAMP REPLACEMENT
Proper handling of fluorescent and metal halide lamps to prevent injury, illness, and environmental damage (Safety Solutions). Burke, G. 56(4), 176-178.

SELF-CARE
Work–heart balance: The influence of biobehavioral variables on self-care among employees with heart failure. Dickson, V. V., McCauley, L. A., & Riegel, B. 56(2), 63-73.

SELF-EFFICACY
Educating supervisors of employees with diabetes (Business and Leadership). Wood, F. G., & Jacobson, S. 56(6), 262-267.
Work–heart balance: The influence of biobehavioral variables on self-care among employees with heart failure. Dickson, V. V., McCauley, L. A., & Riegel, B. 56(2), 63-73.

SELF-INSURED PLAN
Occupational health nurses and workers' compensation insurance programs. Zichello, C., & Sheridan, J. 56(11), 455-458.

SHARPS INJURY
Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

SHELL BLAST INJURIES
Transition from the Afghanistan and Iraqi battlefields to home: An overview of selected war wounds and the federal agencies assisting soldiers regain their health. Brown, N. D. 56(8), 343-346.

SLEEP
Identifying variables that predict falling asleep at the wheel among long-haul truck drivers. Heaton, K., Browning, S., & Anderson, D. 56(9), 379-385.
Psychometric properties of a modified version of a worksite harassment tool: Preliminary findings (Business and Leadership). Al-Modallal, H., Hall, L., & Anderson, D. 56(7), 309-316.

SMOKING CESSATION
Weight gain among women during smoking cessation: Testing the effects of a multifaceted program. Chaney, S. E., & Sheriff, S. 56(3), 99-105.

SOLVENTS
Alleged solvent exposure and deviation from procedures (Safety Solutions). Burke, G. 56(3), 129-131.

STRATEGIC PLANNING
Redesign of occupational health service operations: Strategic planning and evaluation (Business and Leadership). Tobias, B., Burnes-Line, B., & Pellarin, M. 56(10), 433-439.

STRESS
Psychometric properties of a modified version of a worksite harassment tool: Preliminary findings (Business and Leadership). Al-Modallal, H., Hall, L., & Anderson, D. 56(7), 309-316.
When no one has time: Measuring the impact of computerization on health care workers. Morrison, J., & Lindberg, P. 56(9), 373-378.

SUBSTANCE ABUSE
Caring for our wounded warriors (Guest Editorial). McCauley, L. A. 56(8), 335-336.
Structuring successful interventions in employee health programs. Johnson, L., & Denham, S. A. 56(6), 231-240.

SUBVENDOR SERVICE AGREEMENT
If case management services are outsourced, what should be included in the service agreement (Professional Practice)? Brown, N. D., & Sliski, S. K. 56(6), 229-230.

SUICIDE
When a coworker completes suicide (Continuing Education). Lynn, C. W. 56(11), 459-467.

SUPERVISOR EDUCATION
Educating supervisors of employees with diabetes (Business and Leadership). Wood, F. G., & Jacobson, S. 56(6), 262-267.

SURVEY RESEARCH
Influenza vaccination and decisional conflict among regulated and un-

regulated direct nursing care providers in long-term–care homes (Business and Leadership). Sullivan, S. M., Pierrynowski-Gallant, D., Chambers, L., O'Connor, A., Bowman, S., McNeil, S., Strang, R., & Knoefel, F. 56(2), 77-84.

SURVIVORSHIP
When a coworker completes suicide (Continuing Education). Lynn, C. W. 56(11), 459-467.

SYMPATHETIC NERVOUS SYSTEM
Reflex sympathetic dystrophy/complex regional pain syndrome (Health Updates). Gann, C. 56(2), 88.

TERRORISM
Health risks among high-mobility families (Health Updates). Tompkins, O. S. 56(1), 44.

THAI PRIMARY CARE UNITS
Application of the occupational health services model in Thai primary care units. Wittayapun, Y., Lagampan, S., Kalampakorn, S., Rogers, B., & Vorapongsathorn, T. 56(5), 197-205.

TRANSITIONAL RETURN TO WORK
Redesign of occupational health service operations: Strategic planning and evaluation (Business and Leadership). Tobias, B., Burnes-Line, B., & Pellarin, M. 56(10), 433-439.

TRAUMATIC BRAIN INJURY
Caring for our wounded warriors (Guest Editorial). McCauley, L. A. 56(8), 335-336.
In the line of fire: Traumatic brain injury among Iraq War veterans (Continuing Education). Zeitzer, M. B., & Brooks, J. M. 56(8), 347-353.
Transition from the Afghanistan and Iraqi battlefields to home: An overview of selected war wounds and the federal agencies assisting soldiers regain their health. Brown, N. D. 56(8), 343-346.

TRAVEL HAZARDS
Promoting health and safety for traveling and commuting employees (Business and Leadership). Pochat-Debroux, S. 56(9), 395-402.

TRIANGULATION
When no one has time: Measuring the impact of computerization on health care workers. Morrison, J., & Lindberg, P. 56(9), 373-378.

TRUCK DRIVERS
Identifying variables that predict falling asleep at the wheel among long-haul truck drivers. Heaton, K., Browning, S., & Anderson, D. 56(9), 379-385.

VACCINATION
American Nurses Association's best practices in seasonal influenza immunization campaign (Business and Leadership). Slavin, K. E. 56(3), 123-128.
Influenza vaccination (Professional Practice). Foster, D. 56(10), 409-411.
Influenza vaccination and decisional conflict among regulated and unregulated direct nursing care providers in long-term–care homes (Business and Leadership). Sullivan, S. M., Pierrynowski-Gallant, D., Chambers, L., O'Connor, A., Bowman, S., McNeil, S., Strang, R., & Knoefel, F. 56(2), 77-84.

VACCINE STORAGE
Maintaining vaccine effectiveness in occupational health clinics (Professional Practice). Rittle, C. 56(7), 277-279.

VACCINE (TDAP: TETANUS AND DIPHTHERIA TOXOIDS AND ACELLULAR PERTUSSIS)
Pertussis update: An occupational health perspective for the 21st century (Professional Practice). Hood, J. 56(1), 7-8.

VARICELLA ZOSTER
Herpes zoster in the workplace (Health Updates). Chalupka, S. 56(9), 404.

VEHICLE ACCIDENTS
Health risks among high-mobility families (Health Updates). Tompkins, O. S. 56(1), 44.

VENIPUNCTURE SYNCOPE
Venipuncture syncope: One occupational health clinic's experience (Professional Practice). Barker, L. J. 56(4), 139-140.

VENTILATION
Planning for cyanide emergencies (Safety Solutions). Burke, G. 56(7), 319-322.

VETERANS
Caring for our wounded warriors (Guest Editorial). McCauley, L. A. 56(8), 335-336.
In the line of fire: Traumatic brain injury among Iraq War veterans (Continuing Education). Zeitzer, M. B., & Brooks, J. M. 56(8), 347-353.
Reflections on the culture of veterans. Hobbs, K. 56(8), 337-341.
The returning veteran: A lesson in reintegration (Health Updates). Maher, H. K. 56(8), 364.

VIOLENCE PREVENTION PLAN
Ensuring nurses' safety in violent workplaces (Professional Practice). Gallant-Roman, M. A. 56(2), 51-52.

VIRTUAL PRIVATE NETWORKS
Data security in occupational health. Damrongsak, M., & Brown, K. C. 56(10), 417-421.

WEB-BASED EDUCATION
Navigating the OSHA website (Health Updates). Tompkins, O. S. 56(3), 132.

WEB-BASED SURVEILLANCE SYSTEM
Potential allergy and irritation incidents among health care workers. Alamgir, H., Yu, S., Chavoshi, N., & Ngan, K. 56(7), 281-288.

WEIGHT
Weight gain among women during smoking cessation: Testing the

effects of a multifaceted program. Chaney, S. E., & Sheriff, S. 56(3), 99-105.

WEST NILE VIRUS

Employee safety when working at heights (Safety Solutions). Burke, G. 56(2), 85-87.

WOMEN'S HEALTH

Development and evaluation of a women's health support system at a Japanese company. Ariyoshi, H. 56(7), 289-296.

Knowledge, perceptions, and attitudes of managers, coworkers, and employed breastfeeding mothers (Continuing Education). Stewart-Glenn, J. 56(10), 423-429.

The Reynolds Risk Score: Improving cardiovascular risk prediction in women (Health Updates). Bassuk, S. S. 56(4), 180.

WOMEN WORKERS

Weight gain among women during smoking cessation: Testing the effects of a multifaceted program. Chaney, S. E., & Sheriff, S. 56(3), 99-105.

Workplace health promotion: Strategies for low-income Hispanic immigrant women (Business and Leadership). Zarate-Abbott, P., Etnyre, A., Gilliland, I., Mahon, M., Allwein, D., Cook, J., Mikan, V., Rauschhuber, M., Sethness, R., Muñoz, L., Lowry, J., & Jones, M. E. 56(5), 217-222.

WORK ENVIRONMENT

Development and evaluation of a women's health support system at a Japanese company. Ariyoshi, H. 56(7), 289-296.

WORKERS' COMPENSATION

Occupational health nurse practitioners' roles in workers' compensation (Professional Practice). Foster, D. 56(5), 185-187.

Occupational health nurses and workers' compensation insurance programs. Zichello, C., & Sheridan, J. 56(11), 455-458.

Sharps injuries and bloodborne pathogen exposures in home health care (Continuing Education). Chalupka, S. M., Markkanen, P., Galligan, C., & Quinn, M. 56(1), 15-29.

Sustaining a healthy work force in the 21st century: A model for collaborating through reciprocation (Business and Leadership). Thomason, D. L., & Lagowski, L. R. 56(12), 503-513.

WORK–HEART BALANCE

Work–heart balance: The influence of biobehavioral variables on self-care among employees with heart failure. Dickson, V. V., McCauley, L. A., & Riegel, B. 56(2), 63-73.

WORK LIFE INITIATIVE

How can case managers incorporate health promotion into their practices (Professional Practice)? Kalina, C. M., Haag, A. B., & Brown, N. D. 56(3), 95-97.

WORK-LIFE PROGRAMS

Integrated absence management and the Family and Medical Leave Act (Continuing Education). Morris, J. A. 56(5), 207-214.

WORK PERFORMANCE

Psychometric properties of a modified version of a worksite harassment tool: Preliminary findings (Business and Leadership). Al-Modallal, H., Hall, L., & Anderson, D. 56(7), 309-316.

WORKPLACE CULTURE

Integrated absence management and the Family and Medical Leave Act (Continuing Education). Morris, J. A. 56(5), 207-214.

WORKPLACE HAZARDS/ VIOLENCE

Employee safety when working at heights (Safety Solutions). Burke, G. 56(2), 85-87.

Ensuring nurses' safety in violent workplaces (Professional Practice). Gallant-Roman, M. A. 56(2), 51-52.

Strategies and tools to reduce workplace violence. Gallant-Roman, M. A. 56(11), 449-454.

WORK-RELATED ILLNESS/ INJURY

Occupational health nurse practitioners' roles in workers' compensation (Professional Practice). Foster, D. 56(5), 185-187.

WORK-RELATED MUSCULOSKELETAL DISORDERS

A measure of university employees' exposure to risk factors for work-related musculoskeletal disorders. Fisher, T., & Gibson, T. 56(3), 107-114.

Occupational health nurse practitioners' roles in workers' compensation (Professional Practice). Foster, D. 56(5) 185-187.

Underreporting of musculoskeletal disorders among health care workers: Research needs. Menzel, N. N. 56(12), 487-494.

WORKSITE HARASSMENT TOOL

Psychometric properties of a modified version of a worksite harassment tool: Preliminary findings (Business and Leadership). Al-Modallal, H., Hall, L., & Anderson, D. 56(7), 309-316.

WORLD TRADE CENTER

Health effects following 9/11: Implications for occupational health nurses (Continuing Education). Pak, V. M., O'Hara, M., & McCauley, L. A. 56(4), 159-165.

ZERO TOLERANCE

Ensuring nurses' safety in violent workplaces (Professional Practice). Gallant-Roman, M. A. 56(2), 51-52.

ZINC OXIDE EXPOSURE

Metal fume fever (Health Updates). Chalupka, A. N., & Chalupka, S. 56(5), 224.
